### WORKSHOP ANNOUNCEMENT

**Subject:** Glass Cleaning Workshop Part III

**Where:** Cal/EPA Building  
Coastal Hearing Room, 2nd floor  
1001 I Street  
Sacramento, CA 95814

**When:** Monday, April 30, 2012  
10 a.m. – 2 p.m.

This will be a continuation of the first two Glass Cleaning workshops conducted on Nov. 9, 2011, and Jan. 18, 2012. At this workshop, CalRecycle will present issues raised by various certified processors regarding definitions and interpretations of the regulations regarding the cleaning of mixed glass, and consequently, cancellation and end use. We will present proposed regulation revisions in response to concerns identified during our first two workshops. We will also be seeking feedback, and encourage discussions regarding the possible impact of revisions.

If you are unable to attend in person, the workshop will also be broadcast via webinar. To participate via webinar, please register at the following link:  
<http://www.calrecycle.ca.gov/Calendar/EventDetail.aspx?ID=2887&DS=ACES> by selecting the embedded link titled "Meeting Information." After registering, you will receive confirmation via email containing specific information about joining the webinar. Also, be advised that the workshop agenda and other workshop-related documents will be posted in advance of the workshop at the link listed above. If you have any questions, please contact the Recycling Enforcement Branch at (916) 324-5392. We look forward to seeing/hearing from you at the workshop.
